Goodwill Impacts Lives In DUPAGE COUNTY!

Our Mission

Goodwill® provides training, employment and supportive services for people with disabilities or disadvantages who seek greater independence.

Our Impact

Goodwill is a non-profit providing job training, employment placement services and community-based support programs by operating social enterprises, including selling donated clothing and household items in stores and across e-commerce platforms. Serving Southeastern Wisconsin and Metropolitan Chicago as a leading workforce provider for over 100 years, Goodwill has evolved with the world around us, adapting the services we provide and how we deliver them to meet changing needs and circumstances.

Community Partnership: Chicago COVID Contact Tracing Corps

We were one of 31 community-based organizations selected by the Chicago Cook Workforce Partnership to staff and manage Chicago's COVID Contact Tracing Corps, a program funded by the City of Chicago and Chicago Department of Public Health. Through this partnership, we worked to keep

CHICAGO COOK
WORKFORCE PARTNERSHIP

A proud partner of the AmericanJobCenter network

our community healthy while also helping people from underemployed or underserved communities find work. Our team recruited, interviewed,

hired and trained community health workers and their supervisors. Through this program, these individuals gained the opportunity to earn income, learn new skills, explore career options in the growing public health industry, and position themselves for future career success—all while helping others.
