

Goodwill's Northeastern IL Territory

# Goodwill Impacts Lives In LAKE COUNTY!

## Our Mission

Goodwill® provides training, employment and supportive services for people with disabilities or disadvantages who seek greater independence.

## Our Impact

Goodwill is a non-profit providing job training, employment placement services and community-based support programs by operating social enterprises, including selling donated clothing and household items in stores and across e-commerce platforms. Serving Southeastern Wisconsin and Metropolitan Chicago as a leading workforce provider for over 100 years, Goodwill has evolved with the world around us, adapting the services we provide and how we deliver them to meet changing needs and circumstances.

## Goodwill Great Lakes Employment Center Supports Job Seekers

The Goodwill Employment Center, located at Naval Station Great Lakes opened in August 2021. Unlike most locations on the base, the Goodwill Employment Center is accessible to the public and does not require government credentials to visit. The space provides an opportunity for job seekers to learn about open positions at Goodwill Great Lakes, complete online applications and attend hiring events with same day job offers.

During the pandemic, Goodwill Great Lakes was deemed an essential business, and our employees have been on the front lines more than ever, supporting the Sailors and Recruits in the U.S. Navy. Our long-standing operation partners with SourceAmerica and the AbilityOne Program to serve Goodwill's mission from the inside out, providing jobs and opportunities for people with significant disabilities.
