SPOTLIGHT

Burbank Store & Donation Center Opens

In 2022, we added a new store and donation center to our retail footprint in the City of Burbank within Cook County, Illinois. The team opened the doors for community members to shop and donate on December 8, 2022.

The new 8,600-square-foot facility located at 7770 S. Cicero Ave. features a modern design that is part of a multi-year customer experience rollout across all Goodwill Store & Donation Centers in southeastern Wisconsin and metropolitan Chicago that includes interior refreshes, additional storage bins to keep donations protected, and parking lot maintenance.

“Goodwill is strategically expanding our retail footprint to provide an affordable shopping option that directly benefits training, support and employment placement programs and services in the communities we serve,” said Skip Dexter, chief retail officer. “I am proud of what we’ve accomplished at Burbank and am excited for what’s next.”
