

Goodwill Impacts Lives In KANE COUNTY

2022 SNAPSHOT

WHO WE ARE AT-A-GLANCE

At Goodwill, we transform lives and communities through *The Power of Work*. Goodwill Industries of Southeastern Wisconsin and Metropolitan Chicago employs 5,200 employees who help us meet the needs of 43,000 people across our territories. We are proud to support our communities and provide an exceptional experience for our customers and donors.

SPOTLIGHT

Career Prep for Students with Disabilities

We continued our collaboration with the Englewood Workforce Connection Center, helping juniors and seniors with disabilities by offering workshops on job exploration, higher education opportunities (with a focus on college applications, admissions and completing federal student aid applications) and workplace readiness, which covered everything from how to use public transportation and meal preparation to money and household management and understanding employer expectations. Throughout 2022, our teams were on site for two days every two weeks.
